BASEBALL

Twin Towns 15; South Portland 4
A hurricane breaking around the head home during the first inning put the Twin Towns into the hand wagon, and set a mark never overcome by their opponents. The remainder of the game was more rational, but the Twins were not called upon to show any teeth for a decision.

The game at the fair grounds Saturday afternoon was largely attended. South Portland produced a good looking outfit, but the slugfest staged in the opening inning, driving home to the bench, was a sudden jolt. The remainder of the game was not bad and Spiller held the home outfit to a nominal record of hits. Numerous misplays figured in the mix ture which defeated the visitors.

The sixth inning was also a Jonah for the visitors as Spiller was touched for four singles. Tutant's weak throwing to first contributed to the Twin Towns' scoring ability and encouraged a general run-around.

Altogether the game was an exhibition of hard hitting, and during base running with the Twins prominent in both de partments. Houghton, the Kent's Bill, star, occupied the mound five innings, being touched for only seven hits. Hunt worked the remainder of the game with three safeties secured from his bag of tricks. The home bunch played clean cut baseball and displayed every indication that Masterman has assembled a team capable of handling big stuff during the summer. The score:

Fort Williams the Next Team

The T. T. A. offers Fort Williams to the public next Saturday at the fair grounds. Game called at 2:30 p. m., standard time.

This will be the first time the Forts have appeared here, but the visitors are ball players and will make good. They have a strong line-up with plenty of class. An interesting game is assured.

West Paris 5; Mechanic Falls 3

West Paris won from Mechanic Falls 5 to 3 at West Paris, Saturday in a game which was a mixture of good and bad baseball. The visitors brought a strong line-up collected from Portland and Lewiston, over victories over Oxford, Lisbon Falls and the crack Thompson's Point nine of Portland and freely expressed their confidence of walking away from the home team. West Paris had a remembrance of a certain 1-0 game of a year ago, however, and had no intention of letting their distinguished visitors run away with the game. On the contrary they started out to hit Gaskill in the first inning and continued the process till they had collected 14 solid hits, of which Rowe got five and Leavitt three. They were all so helped along in the third when Dostie, Reed and Vanier tried to discover who had the strongest arm. Reed finally won out with a throw so far over Vanier's head that the ball hasn't been recovered yet.

Emery, Bacon, Packard and Perham all made fine plays in the field while Cady, Roy and Jordan were easily the stars of timely hitting, West Paris having thirteen men left on bases.

Portland Commandery Had Fine Time

Portland Commandery, Knights Templar of Portland celebrated St. John's day June 24, with an enjoyable gathering at the Fair Grounds. A parade, a bountiful dinner, band concert and sports, together with ideal weather, gave them one of the most successful pilgrimages in their calendar.

They arrived in Norway by special train about 9 a. m. Forming a parade numbering two hundred and fifty, led by the American Legion Band of Portland, they marched up Cottage street to the head of Main street, then counter marched to Market Square, South Paris, and back to the grounds. Both villages were decorated for the occasion, and two rows of flags extended along the whole line of march. Lemonade was served when the procession was halted near the corner of Main and Paris streets.

Dinner was served by Oxford Chapter, Eastern Star, in two of the larger restaurants. Beans baked in the ground, salads, strawberry shortcake cream pies, and many other good things were laid out in the menu. Mrs. Edward Carroll, worthy matron by the Lincolns of Eastern Star, was in charge of this important feature and had able assistants. Roses and flowers of the season made a handsome table decoration. About three hundred covers were laid.

Amateurism were at the disposal of all who wished to view the town. Side trips were made to Paris Hill, South Paris, around Lake Pennevasse and about Norway village. No pains were spared by the local Masons and others to make this part of the day's outing an enjoyable event.

A concert of the highest order was rendered by the American Legion band, with Hans Smith, director. Sports followed with the ball game, one of the most exciting contests. These events were directed by E. C. Smith and P. A. Roberts, judges Russell and Lynch.

Some difficulty was experienced in getting the line-up for two teams. A flock of sheep could not have been more scattered. The matter of an umpire was a serious problem, several prospects mentioned for the job, but were turned down as being too headstrong and not open to advice from the fans. G. Ralph Harriman of Norway was presented as a suitable candidate; he promised to be easy so got the job. All was in readiness when the presence of W. W. Dwinall was noticed and much anxiety was felt, and a searching party located him at the eating booth where the ladies were congregated. He was quickly snaked away amid protests, and made to take his place on the ball team line-up.

The winning team with Captain D. A. Kennedy in charge:

Catcher—C. F. Ridlon.
1st base—Harry Jackson.
2nd base—A. Kennedy.
3rd base—Porter A. Roberts.
4th base—Melvin Brandon.
Short Stop—George Davis.
1st Infield—E. Ernest Thiers.
2nd Infield—H. L. Davis.
Center—P. M. Davis.
Right Field—P. M. Davis.
Left Field—P. M. Davis.
Pitcher—P. M. Davis.

The long table was spread under the trees and loaded with the things which all enjoyed most, baked beans, salads, sandwiches, cookies, cakes, fancy crackers, peanuts, candy and fruit. After everybody declared they could eat no more, we made up boxes to take to some of the "shut ins" who couldn't be with us.

Busy hands soon had the tables cleared, the dishes washed, and back in their places, and at 2 p. m. our regular meeting was held.

We regretted that many of the members were unable to be with us. Mrs. Joslin was leader of the program committee, and the readings and music by the children and older members were enjoyed by all.

Archie Berlin was received as an honorary member. The gift of a check of five dollars from the Dept. headquarters had been received by Norway, for having made a gain of ten new members.

The next meeting will be held at the home of the president at 12 Elm St., July 13, at 3 p. m.

The W. C. T. U. appreciated the hospitality of Mr. and Mrs. Fletcher and everybody said, "How we have enjoyed it all!" Surely June 29 will go down as a Red Letter Day, in the history of the Norway Union.

The condition of Mrs. Martha Anderson, who is critically ill at her home on Danforth Street, remains about the same. Thelma Bradbury is at the home of Harold Anderson, Beal St., caring for the children while Mrs. Anderson is caring for his mother, who is very ill.

Elsie Kimball has gone to Lewiston where she is employed at the Bates Street Shirt Factory.

On Saturday evening, June 25, neighbors and friends gathered at Elmwood, the home of Mr. and Mrs. Edwin Cox, to listen to a recreation concert given by the St. John's choir of Augustana on the new Edison phonograph. It was a rare treat to all to listen to the best musical artists of the day so clearly rendered on the new Edison, and it was a late hour when the last one left, wishing Mr. Roberts success in his new work and a repetition of the concert in the near future.

Thomas Cox of Bloomington and Mrs. Gustave Gehlert who have been visiting friends and relatives in town have returned to their home. Mr. Cox, although eighty-four years old, is as spry as most men at sixty-five.

Belle Holt, who is at the C. M. G. Hospital is gaining at this writing.

Mr. and Mrs. Willard Cherry and daughter Elizabeth of Waverly, Mass., arrived here Tuesday to visit his mother, Mrs. Helen Cherry, a few days. Willard is trying fish fishing at Lake Pennevasse.

Lester Witham has returned from the hospital where he went some three weeks ago for surgery.

Frank Jewell has finished a dark room at the dental offices of Drs. Drake & Easton, where X-ray films are to be developed.

Perrault, wife and two children, and his mother, Mrs. Julia Perrault, who have been spending three weeks at Eddie Perrault's camp at the Lake, returned to Lynn, Tuesday. Johnnie Perrault, son of Eddie Perrault, returned to Lynn with them where he will make his home.

Mr. and Mrs. Clayton Heath, who have been spending their honeymoon at Evergreen cottage at the lake side, went to Bridgton, Monday, for a few days with Mrs. Clark True in camp, before going to their new home in Winthrop, Mass.

Celebration Almost Here

Norway and South Paris have the stage set for Independence Day with a bang up good show. A crowd is expected and arrangements are being perfected to handle the multitude with the least friction.

The parade at 8:30 is fast assuming a sizable spectacle thoroughly motorized. The Norway-Paris parade is expected to be the largest of this procession. Both towns will feature patriotic decorations and all dolled up with bunting and flags. Chas. S. Akers and Charles W. Bowker have the pageant in the making.

Undoubtedly the women's contest at the fair grounds, bringing into action the South Paris "Pacific" and the Norway "Oxford Bear" will be a corking good opener for the sports. Twenty minutes will be allowed each department to lay out, couple with the water tank, get the engine into high and make a record throw. The outfits will be heavily manned with the best huskies in the two corporations. This event will be shown on the midway near the main entrance.

Dinner will be served in one of the large halls by the Ladies Social Union of South Paris and refreshments served by the ladies of the Norway Congregational Church at their booth. Refreshments are to be handled by the Twin Towns Athletic Association.

West Paris and Twin Towns ball teams come together at 10:30 a. m., with a breezy argument. Both teams have full material confident of victory for their respective bays. Somebody's sure to win. Another class event after dinner will be the contest A. v. Twin Towns. Fandom should not let this game sneak by unnoticed for real stuff will be trotted onto the diamond.

Track events in front of the grand stand directly after dinner will call out a good field of athletes and considerable excitement. Contestants must report to Harry M. Shaw or Percy H. Nevers before 1 p. m.

Feature pictures at Rex Theatre, Cottage street, both afternoon and evening. Darning in Grange Hall, South Paris, at 8:30 p. m., with Sherry's Jazz Orchestra of six pieces and Mrs. Earl Farnham, vocal soloist, present. Barlett's orchestra of Lewiston will play for the dance at Norway Opera House, conducted under local management, beginning at 8:00 p. m.

Gather up your neighbors and come this way where the Eagle will scream lustily.

Field Day of W. C. T. U.

For a whole year we had looked forward to another delightful day for our meeting at the beautiful camp of our hostess, Mrs. John Fletcher, and it came at last, Wednesday, June 29. Five auto mobiles to bring visitors to transport to the happy company. With "grown ups," young people and children, we numbered thirty, and the woods rang with the happy laughter and songs of young and old and wading, boating, bathing and fishing were the order of the morning.

The long table was spread under the trees and loaded with the things which all enjoyed most, baked beans, salads, sandwiches, cookies, cakes, fancy crackers, peanuts, candy and fruit. After everybody declared they could eat no more, we made up boxes to take to some of the "shut ins" who couldn't be with us.

Nelson Bartlett was found guilty of operating a motor vehicle without a license in his possession and paid costs. The others got away with a fatherly talk from Judge Jones. Surprise Birthday Party

Mrs. Mary A. Oxnard celebrated her seventy-fifth birthday on June 26 and in honor of the occasion, her daughter, Elton L. Brown, invited some of her friends and neighbors to call on Saturday from 3:30 until 5:30.

A large birthday cake was cut by Mrs. B. G. McIntire whose birthday occurred on June 25 and Alvin Brown whose birthday was also on that day, was presented with a similar cake which was cut by Mrs. Alvin Brown. "IN A BAD WAY"

Many a Norway Reader Will Feel Grateful for This Information

If your back gives out;
Becomes lame, weak or aching;
If urinary troubles set in,
Perhaps your kidneys are "in a bad way."

Doan's Kidney Pills are for weak kidneys. Ask your neighbor!
Local evidence proves their merit.

Miss L. A. MacInnis, in rear Beals Hotel, Norway, says: "My kidneys were in bad shape about three years ago. I suffered terribly from backache and often at night I had to get out of bed and walk the floor, trying to get ease from the pain. My head ached fit to split. My sight blurred and my kidneys were irregular and in my case showed they were at fault. As Doan's Kidney Pills had been used in my home with good results, I decided to get four boxes at Noyes' Drug Store. After I had finished taking them I was cured. I have often spoken to others about what Doan's Kidney Pills did for me and recommend them at every opportunity."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Miss MacInnis had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

MEMORIES OF CO. D

In a corner way up in the attic is a trunk that is covered with dust. With a lock that is old as the dickens, and a key that is as rusty as rust.

But within it lies a treasure that is dear to my memory. For it holds all there is to remind me of the old days of Company D.

I can sit by the old trunk for hours, and for the story it tells me. Can never be told by any book. No matter how great it may be.

I can see dear old Sweetie standing with his smile that we all loved to see. When we stood in that little old armory as members of Company D.

The way that they fought I no need tell you. For it's written in history. They may have been farmers, but gee how they fought.

Those boys of old Co. D. So the old trunk it may be dusty, and its hinges all rusty, But my uniform in it reposes, As a symbol to Co. D.

(To those wonderful boys of D. Company, and to the whitest and truest officers that ever wore a uniform, Capt. Hanson and Guy Sweet, I dedicate this humble piece of poetry.)

Your Last Year's Straw is
Without Doubt Still Good
For the Garden

This Year

There is such a vast difference between this year's Straw styles that to be correct this summer you will either have to buy a new hat—or spend all your time raising vegetables. You won't be able to raise much else if you insist on bringing last year's bonnet south of the back stoop.

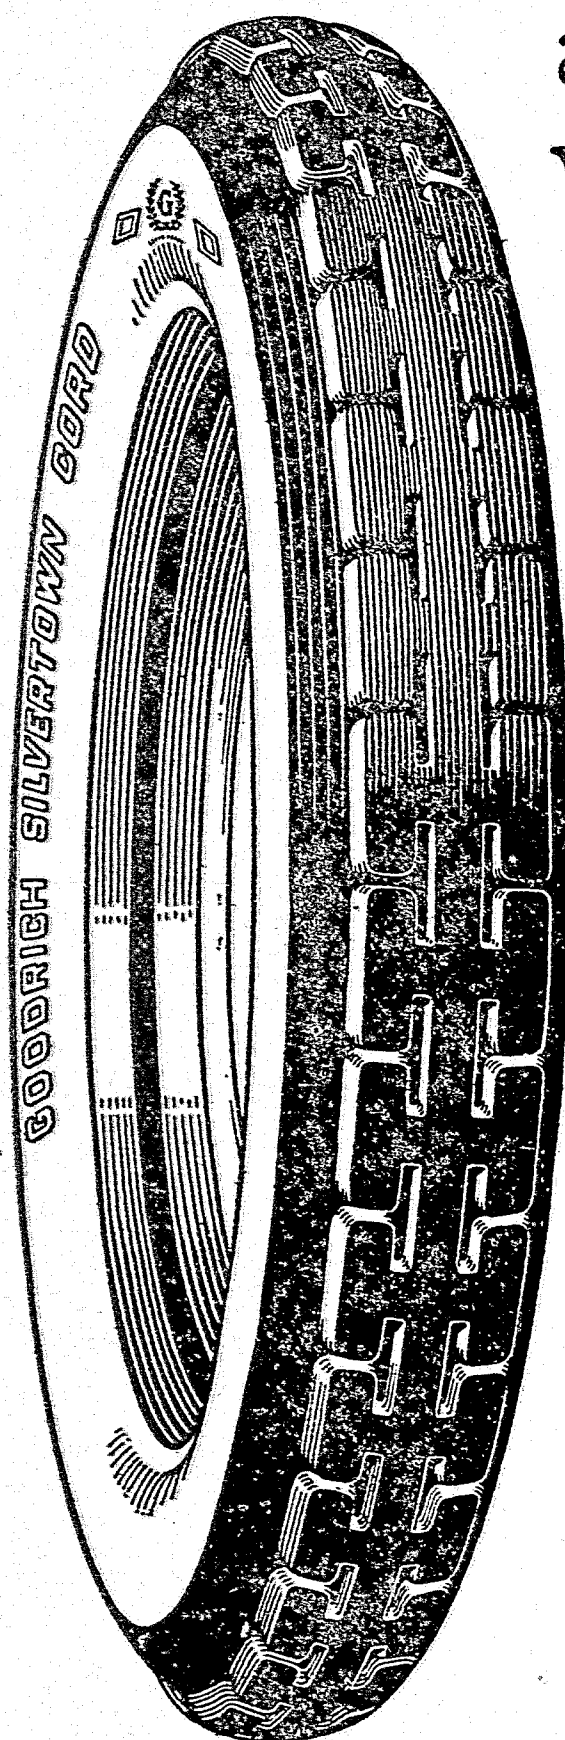

Narrower brims—broader crowns—new placing of bows and bands.

It looks as though the manufacturers had made the change simply to make you change.

But cheer up—there's comfort in the new prices.

A clean kitchen lightens each day's work

WHAT a joy it is to work in a kitchen that is easy to keep spick-and-span all of the time! The average housekeeper spends a goodly part of every day in the kitchen. Cleanliness and contentment go hand in hand.

Because of its simple construction, the New Perfection Oil Cook Stove never becomes a collecting corner for dirt. There is no coal or wood to clutter things up, no ashes to take care of. Every part of it can be reached easily with a duster. It stands well up from the floor, you can sweep under it and behind it.

The long, blue chimney conducts all the clean heat from the white-tipped flame directly to the utensils or oven. By using all of its heat to

cook with, instead of radiating it about the whole room, the New Perfection makes possible a cool, comfortable kitchen.

You use the New Perfection Oil Cook Stove only when you need it. It is so easy to light and regulate that when you're through cooking, you simply put it out, thus saving much fuel besides keeping the kitchen cool. Over three million are in use today.

The New Perfection Water Heater is another convenience for the housekeeper. Supplies hot water abundantly at a very slight cost. The oil cook stoves are made in two, three and four-burner sizes, with or without warming cabinet; also one-burner stove with no cabinet. Leading dealers everywhere.

NORWAY AND VICINITY

Observed Eightieth Birthday

Mrs. Esther M. Cushman, who is with her sister, Mrs. Fannie E. Frost, passed her 80th birthday, Monday, June 20. Her sisters, Mrs. Abbie Everett of Norway and Mrs. Hattie Greenleaf of Otisfield spent the afternoon with her. Her sister, Mrs. Hill, and three brothers, were unable to be present. Relatives and friends called during the day with gifts of money and other things with pleasant greetings and congratulations. Many cards and letters also were received.

Although 80 years young and very feeble in health, she is very active, cheerful and shows a kindly interest in all around her. She is busy all the time knitting and sewing, occasionally stopping a few minutes to take a little rest. She is now making a quilt for her great niece, Mrs. Myrtle (Seathorne) Carroll.

Earlan C. Torrey and his "tank," advertising the Dixfield celebration was in town, Tuesday. The machine was a good copy of the fighting tractor, and built around a Ford. He has other similar outfits on the road with the following assistants, Mrs. Esther Rowe, Mrs. E. O. Torrey, Ruth Gates, Mrs. Gertrude Williams, Miss Mosse, Marguerite Ricker and Emma Dumas.

The diamond in the ball park at the fair grounds is getting settled and will soon present a good playing surface. Extreme dry weather made the infield a trifle slow Saturday, owing to sand. Rain and a heavy roller greatly improved conditions this week.

The children will meet at the high school grounds at 6:30 p. m., Thursday evening, July 7, and march to the fair grounds where stunts and a good time will be held in connection with the opening of the Junior Chautauqua.

Percy Fogg is enjoying a two weeks' vacation from his duties at the Norway National Bank. Adeline Decoster is assisting at the bank.

Albert O. Parker, principal of Norway high school, left Wednesday, for New York where he will attend the summer school at Columbia University. He will take up mathematics and administration of secondary schools.

Amy Losier, who has been an assistant at the Bridgton high school for the past two years, will teach at Edward Little high school at Auburn, the coming school year.

Mr. and Mrs. E. E. Andrews and son Roland of Boston are at their cottage at the lake for the summer.

Don Carlos Seitz of New York City was given the honorary degree of Doctor of Literature at the commencement exercises of Bowdoin College last week.

Mary Dresser, a former teacher in Norway schools, who has been in the commercial department at the Freeport high school for the past two years, will go to Berlin, N. H., to teach this fall.

Mr. and Mrs. Leon Emery are spending a few weeks at Mr. Emery's home in Farmington. Mr. Emery will begin work July 18 at Brown, Buck & Co.'s.

Mary Carroll, who has been teaching school in Dover, N. H., spent the week end with relatives in town.

Florence Seathorne of Douglas, Arizona, is visiting her sister, Mrs. Albert Carroll, this week.

The Rev. Dr. Joseph Fort Newton Sunday evening, July 10, the annual chautauqua religious service will be held in the chautauqua tent at the Oxford County fair grounds. By special arrangement the preacher of the occasion will be the Rev. Dr. Joseph Fort Newton of the Church of the Divine Paternity of New York City. Last year the Rev. Dr. Newell Dwight Hillis was the speaker, and his address was a lecture on America. This year the offering will be strictly a sermon, and by one of the greatest preachers of either England or America. Indeed it is a question whether his equal can be found at all.

The foremost Protestant church of all Christendom is the City Temple, London, England, made famous by the late Rev. Dr. Joseph Parker, noted Congregationalist divine. During the war the City Temple congregation, then pastorless, called Dr. Newton from the relatively small Universalist church of Cedar Rapids, Iowa, where he had been ministering for many years. Lifted from the obscurity of this pastorate to the greatest pulpit in the world was a signal honor to the man, his denomination and his country. Retaining his Universalist fellowship he was received into the Congregational communion, and while the incumbent of the City Temple pulpit quickly established himself as one of the remarkable spiritual preachers of the century. Only the pressing desire of his family and himself to be once more in his homeland and under the old flag induced him to relinquish his great work in London and accept the urgent cabled invitation to assume the spiritual leadership of the Church of the Divine Paternity of New York.

Mrs. Mabel Carroll and son James of Denmark are visiting relatives in town. A new cement walk flush with the sidewalk has been laid at the entrance to L. J. Brooks' store by Freeman C. Smith & Son.

Mr. and Mrs. Julius DeCroteau returned Friday from a three weeks' visit in Massachusetts and Vermont. Mr. DeCroteau has returned to his employment at Rex Theatre as ticket taker and utility man.

Charlie Whittemore is hobnobbing about town with a son. A sprained ankle is causing the inconvenience.

The silent policeman located near the Advertiser office was run down and seriously injured late Monday night. The remains were picked up Tuesday morning by Highway Commissioner Harry Lovejoy and removed to a blacksmith shop for adjustments.

Unfavorable comment is heard about the unsightly rails and ties left from the partial removal of the street car road bed. A complete clean-up on Paris street to a point beyond Central Park in Paris village, will add greatly to the scenery along our new concrete road.

Weather permitting, a public gospel meeting will be held in Witherell Park Sunday afternoon, July 3, conducted by Knightly and Christensen. Subject, "Is there a hell, where is it and why?"

Chief engineer Giles Frost has given the "Oxford Bear" fire engine several good work-outs in preparation for the big event at the fair grounds July 4th. Larry Carroll wants 100 strong men for the handles on that day.

Community Chautauqua is almost here and season tickets are being distributed to those who signed pledges last year. Enthusiasm has not waned, but indications point to the largest attendance in the history of local chautauqua.

The Lure of BIRTH STONES

JUNE

To have been born in June is to wear the pearl as a birthstone. A necklace of pearls is accredited with magnetism of drawing to one as many friends as there are stones in the necklace. In the Arabian Nights Prince Persia gave his sister Perside a necklace of pearls that are like unto the moons chained with rays of silver. To her he said, "So long as the pearls move on the chain, all well, if they stick, I shall be in dire need of thee."

EAST FRYEBURG.

David Potter Lord died very suddenly of heart disease at his home on Sunday, June 12. Funeral services at the Grange Hall, Wednesday afternoon in charge of Rev. A. Hill. Rev. Woodward of South Bridport preached a very helpful sermon.

Mr. Lord was the son of Wm. and Mary Ann Lord, and was born in Stoneham, May 19, 1843. His boyhood days were spent in East Fryeburg. He married Eldora, daughter of Joshua and Melinda Warren, and two children were born, Wm. B., who lives here in East Fryeburg, and Betsy, who married Eli H. Witham, and lives in Lovell.

He enlisted and served in the last part of the Civil war. For many years he carried on a blacksmith shop at Denmark, adding hardware and general store, doing a large business. He sold out on a general store and blacksmith shop. He then moved to Lovell and remained in business till a few years ago, when he retired and bought the farm here, where he has since resided.

Last Sunday was observed as "Young People's Day" at the church, when Rev. Essex Advantages Revealed In Long Hard Service

ESSEX gets its long wearing endurance in performance and smooth operation from a special design and the way it is built.

For instance, everyone knows how squeaking springs and body rattles destroy riding enjoyment. Light cars have not alone been at fault in that respect.

"Drove 20,354 Miles in 7 Months"

Gas consumption averaged 19 miles to the gallon. Twenty-five gallons of oil were used. No repairs whatever were made during this period, and the engine was not cleaned until approximately 12,000 miles had been covered.

"I have driven cars for the last 6 or 7 years. Cars with me have to do exceptionally heavy service, and this year will be the first I have ever used the same car for the second season, as I am doing with my Essex."

"My work as a traveling salesman, necessitates covering four Canadian provinces. Part of my way lies through the Metepedia Valley; the roads are so narrow that it is necessary before starting to remove the windshield and top and to bandage the body and mud-guards with heavy cotton in order to keep the finish from being destroyed by the branches and bushes at sides of the roads.

"Naturally it would be hard to sell me anything but an Essex in the future—not only for endurance, but for get-away, "pep" and all around performance."

P. E. GUAY, Sherbrooke, Quebec.

But Essex has minimized squeaking bodies by a frame so designed that it does not weave. It has a load capacity that with one exception is greater than that of any other car.

That is why an Essex rides over rutty roads, and cobble stones with a smoothness and freedom from noise entirely unexpected in a car of its size and price.

It is why Essex gives a feeling of rigid solidness to the passenger at any speed and over any road surface.

Throughout the Essex you will find other details not so apparent in casual observation. Their advantages are not noted when comparison is made with new cars. But when Essex has had a season's use and the advantages of its design and construction become more evident owners grow more and more enthusiastic. Time serves to show many superiorities in the Essex. It is then that its difference as a moderate priced light car becomes so notable. Choose your car for what it will be after a year's service.

Name the Streets

Bryant Pond, or Woodstock proper, is an interesting little town, and we have many improvements and advantages we are proud of, not the least being our good schools and public library, good sidewalks, good roads and a most attractive opera house. All this is well, but did it ever occur to the citizens that our streets are entirely without names? We have a number of different streets in our village and would it not give the stranger a better impression of our town if we had some good neat looking street signs put up at the corners? Of course the town is small, but there are lots of other small towns and the most of them have names for their streets. It would not cost much and would be much more convenient and a decided improvement for our little town.

AN OPEN LETTER TO WOMEN

Mrs. Little Tells How She Suffered and How Finally Cured

Philadelphia, Pa.—"I was not able to do my housework and had to lie down most of the time and felt bad in my left side. My monthly periods were irregular, sometimes five or seven months apart and when they did appear would last for two weeks and were very painful. I was sick for about a year and a half and doctored but without any improvement.

A neighbor recommended Lydia E. Pinkham's Vegetable Compound to me, and the second day after I started taking it I began to feel better and I kept on taking it for seven months. Now I keep house and perform all my household duties. You can use these facts as you please and I will recommend Vegetable Compound to everyone who suffers as I did."—Mrs. J. S. LITTLE, 3455 Livingston St., Philadelphia, Pa.

How much harder the daily tasks of a woman become when she suffers from such distressing symptoms and weakness as did Mrs. Little. No woman should allow herself to get into such a condition because such troubles may be speedily overcome by Lydia E. Pinkham's Vegetable Compound, which for more than forty years has been restoring American women to health.

DEMAND FOR TANLAC BREAKS ALL RECORDS

Amazing Success Achieved by Celebrated Medicine
Not only Phenomenal, But Unprecedented—
Over 20,000,000 Bottles Sold in Six Years—
Foreign Countries Clamor for It

Never before, perhaps, in the history of the drug trade has the demand for a proprietary medicine ever approached the wonderful record that is now being made by Tanlac, the celebrated medicine which has been accomplishing such remarkable results throughout this country and Canada. As a matter of fact, the marvelous success achieved by this medicine is not only phenomenal, but unprecedented.

The first bottle of Tanlac to reach the public was sold just a little over six years ago. Its success was immediate and people everywhere were quick to recognize it as a medicine of extraordinary merit. Since that time there have been sold throughout this country and Canada something over twenty million (20,000,000) bottles, establishing a record which has probably never been equalled in the history of the drug trade in America.

Fame is International
The instant and phenomenal success which Tanlac won when it was first introduced has been extended to practically every large city, small town, village and hamlet in North America. Its fame has become international in its scope and England, Japan, Mexico, Cuba, Hawaii, Alaska, Porto Rico and many European countries are clamoring for it.

From coast to coast and from the Great Lakes, Tanlac is known and honored. Millions have taken it with the

most gratifying and astonishing results and have pronounced it the greatest medicine of all time.

Tens of thousands of men and women of all ages in all walks of life, afflicted with stomach, liver and kidney disorders, some of them of long standing, as well as thousands of weak, thin, nervous men and women apparently on the verge of collapse have testified that they have been fully restored to their normal weight, health and strength by its use.

Restored to Health

Still others, who seemed fairly well, yet who suffered with indigestion, headaches, shortness of breath, dizzy spells, sour, gassy stomach, coated tongues, foulness of breath, constipation, bad complexion, loss of appetite, sleeplessness at night and of terribly dejected, depressed feelings, state that they have been entirely relieved of these distressing symptoms and restored to health and happiness by the use of Tanlac.
